

Be a Part of History

Join us for the first annual education conference of the Texas Society of Genetic Counselors (TSGC). Receive updates on current issues in pediatric, prenatal, and cancer counseling.

Participate in professional issues discussions, such as the possibility for licensure in the state of Texas.

Network with colleagues from around the state. Come early and participate in the Texas Genetics Society meeting March 27-29 (for a reduced fee of \$100 this year only for TSGC members—www.texasgeneticsociety.org)

or stay late and enjoy College Station.
